Micro Harmonics Makes Inc. Magazine's List of Fastest-Growing Private Companies for the Third Consecutive Year

Micro Harmonics achieves impressive ranking of 106 on the 2024 Inc. 5000 Regionals Mid-Atlantic list, which had an average growth rate of 154%.

Fincastle, VA, February 27th, 2024 – For a 3rd consecutive year, Micro Harmonics has secured its place on the annual Inc. 5000 Regionals List of fastest-growing private companies in the United States. The prestigious list compiled by Inc. Magazine has Micro Harmonics ranked at number 106 in the Mid-Atlantic region.

“We take great pride in our consistent growth and are honored to be acknowledged alongside an esteemed roster of thriving companies,” says David Porterfield, Founder and CEO of Micro Harmonics. “This achievement is a testament to the dedication of our Virginia-based team and unwavering support of our customers who trust and rely on our advanced millimeter wave components.”

The companies featured on the list demonstrate a remarkable rate of growth across various industries in the Mid-Atlantic region. Between 2019 and 2021, these 135 private companies experienced an average growth rate of 154.26 percent. By 2023, they contributed 14,110 jobs and \$5.2 billion to the Mid-Atlantic region's economy.

For complete results of the Inc. 5000 Regionals: Mid-Atlantic, including company profiles, and an interactive database that can be sorted by industry, metro area, and other criteria, visit inc.com/mid-atlantic.

“The honorees in our Inc. 5000 network are the Who’s Who of private companies. They’re energizing regional economies as they engineer the future of their industries. Learn who they are and what they do — they’ll be impacting things for a while,” said Eric Hagerman, Special Projects Editor at Inc. Media.

Micro Harmonics produces high-quality millimeter wave products including [millimeter wave isolators](#) operating from 25-400 GHz, [millimeter wave circulators](#), and [millimeter wave voltage variable attenuators](#). These are the most technologically advanced millimeter wave components on the market today. They are optimized for extended bandwidth and the industry’s lowest insertion loss.

More about Inc. and the Inc. 5000 Regionals

Methodology

The 2024 Inc. 5000 Regionals are ranked according to percentage revenue growth when comparing 2020 and 2022. To qualify, companies must have been founded and generating revenue by March 31, 2020. They had to be U.S.-based, privately held, for-profit, and independent—not subsidiaries or divisions of other companies—as of December 31, 2022. (Since then, a number of companies on the list have gone public or been acquired.) The minimum revenue required for 2020 is \$100,000; the minimum for 2022 is \$1 million. As always, Inc. reserves the right to decline applicants for subjective reasons.

About Inc. Media

The world's most trusted business-media brand, Inc. offers entrepreneurs the knowledge, tools, connections, and community to build great companies. Its award-winning multiplatform content reaches more than 50 million people each month across a variety of channels including websites, newsletters, social media, podcasts, and print. Its prestigious Inc. 5000 list, produced every year since 1982, analyzes company data to recognize the fastest-growing privately held businesses in the United States. The global recognition that comes with inclusion in the 5000 gives the founders of the best businesses an opportunity to engage with an exclusive community of their peers and the credibility that helps them drive sales and recruit talent.
